Conversion of the Mandya municipal High School into a Govt institution

General and Revenue Secretariat

File No 101 of 1942 [App F III—2

Serial No

From The D C Mandya Dist

No 330/42 Dt 16 8 1942

Requests sanction in the circumstances stated to the proposal of the Mandya Town Municipal Council to convert the Mandya municipal High School into a Govt institution W.E effect from 1-1-1943 Submitted

1) The following are a few amongst the reasons advanced in favour of the proposal to convert the municipal High School at Mandya into a Govt High School

1) The absence of a Govt High School in the Mandya Dist particularly in the Dist Headquarters town

2) The gradual increased charge on the municipal funds by way of grant to the school towards the recurring expenditure from Rs 700 during 1937-38 to more than Rs 3000 during 1941-42 and the decrease in the Govt grant to Rs 706-8-0 p.a

3) The justification or otherwise for the Mandya Town Municipal Council to pay from its funds for the education of nearly half the no of students coming from outside the municipal limits and

4) The inability of the Municipal Council to take up other improvement works on account of increased drain of municipal funds towards the maintenance of the municipal High School

Note – Contr Sheet

WD 04150—G1 B—5,000—23 10 41

[redacted] of the Municipal High School at Nandya
into a Govt institution.

File No 101 of 1942

General and Revenue Secretariat

Serial No

1) The Municipal Comnal authors [redacted] have resolved to close admission to about 120 students (nearly half the total strength of the school) attending the school from outside the municipal limits in case the school is not taken over for management by Govt with effect from 1-1-1943

3) The D C's letter which is exhaustive and self-explanatory is for kind perusal. This should have, however, come up to Govt through the D P I

4) If agreed, this will be transferred to the Education Branch, where the question has to be dealt with

5) A - may be done as it is a general question having an policy bearing (Govt Secy)

6 please send up in person

24-8-42

7) It has to be considered as a general question & has therefore to be cleared with in the Ed Branch

9 The D.P.I has recommended an enhancement of the grant to the ML High School Olaveya, from Rs 58-4-0 to Rs 125 p.m with effect from 1-7-41 in his letter cno DC-867-41 of 42-43 dt 29/42. (Index hereto). If the enhancement is sanctioned, the grant payable to the ML. High School from 1-7-41 will be more

10 The other request of the D.C for the Conversion of the Municipal High School into Govt one cannot be accepted as much as it has been negatived by the Govt on several cases and is against the policy of Govt, and will create an inconvenient precedent.

Endt

11 The one point which may perhaps require consideration is the fact that Olaveya has become a Sub Head Qrs & that there is no Sub Head Qrs without a Govt High School. In view of this & the increasing demand on the rural revenues, even if it is for consideration of the Dept may be consulted on the Educational matter

not

Govt High School at Mandya

Edn File No 997 of 194

General and Revenue Secretariat

Serial No

1) There is much force in what is stated by the Deputy Commr. As a Dr Hard place, it is but reasonable that Govt should establish a High School of their own here, especially as it is stated that nearly 120 students from places other than Mandya are studying in it. It seems worthwhile to consult the DPI in the matter.

(Govt Secy) 10/9/42

2) However desirable on principle & on the merits of the case, such concessions into a fait accompli, for whatever reason, is bound to create a reaction in other centres & give scope for embarrassing claims & representations. The grant to the High School in question is proposed to be fixed at Rs 125 p.m. (or Rs 1500 per annum) with effect from 1st July 42 & this enhanced grant will go a considerable extent to reduce the burden on the municipal Council. The proposal made by the D.C. cannot be sanctioned.

Mandya Division alone. This is the only one in the State which has no such High-School. Apart from the fact of the Mandya Municipality's inability to maintain the school, they have said that they will have to deny the admission of students coming from the rural area. This will lead to inconvenience to students and they will be forced to seek admission in cities which are already overcrowded with high-schools. Taking all the points into consideration I am of opinion that it is essential to start a such High School at Mandya (Mysore)

52 Subd with refce to para 46 supra

14/6 14/6

53 GL Secy)

24/6/43

54) The school has a strength of 262 students (under 6 sections) of whom 141 are from outside the Mandya Municipal area. The total expenditure on the school has increased from Rs 9,924 in 1940-41 to Rs 12,129 in 1942-43 The fee income has also increased, but not in proportion to the increase in expenditure. The position at present is that the Municipal share of the expenditure has steadily increased from year to year & stands at Rs 3102 for 1942-43, which is double the amount of Govt grant. By 1943-44 the MS share is expected to be Rs 5000 (vide 55) From the sanctioned budget

16

estimates of the Municipality for 1942-43 it is seen that its normal expenditure in that year was more than the normal income, the closing balance being far below the prescribed minimum. Government have asked the Municipal Council to find out ways & means to improve the financial condition of the Municipality so that a larger amount may be made available for urgent improvement works. In addition the Municipality have about to levy the new education cess at 2 annas in the rupee on the taxes forming its revenue. Although the burden of educational expenditure on the Municipality appears to be more than in proportion to its total resources there is reason on some force in the ~~contention~~ representation of the Municipality to be relieved from their responsibility for running the M.S. High school at their place.

56 Whilst regarding the question at present there is quite likely that after an increasing number of students seeking admission to High schools in the expansion of Mandya town the school may ~~become~~ soon develop beyond the resources of the Municipality. If the Municipal Council were in the circumstances to point into effect the

~~establish~~, threat to close the school to students from outside Mandya town the considerable inconvenience would be caused to a ~~th~~ large number of students from the rural areas

57 Two alternatives might be considered to get over the difficulty of the municipality to take over the school to Govt as proposed above increase the govt grant ~~to the municipality~~ sharing the cost of running the school The objection to the first alternative is perhaps that it would create an inconvenient precedent both because there is no such precedent with the municipality for other places in the state & since all the other D^t Hqrs have a Govt High school already. If this proposition is to be accepted it might be made a condition perhaps that the municipality should agree to pay a certain grant towards the expenses of running the school. This would limit the financial burden to the municipality in the future, it also reduce the total expenditure to Govt If on the other hand this suggestion is not acceptable it seems reasonable to enhance the Govt grant so that

Continuation Sheet 5 — File No / Current No — Re. Municipal High School at Nandyal — of — Page

1-D

the federal expenditure - the non-recurring shared between Govt & the Municipality - bears on a more equitable basis than present the 50% sharing the expenditure is double working Govt & the disparity is likely to become more pronounced when the expansion of the school. The ratio may perhaps be fixed on a 50 50 basis should the Municipality agree to this solution of the question -

Minister for Education

1576/43

5& On the basis of the figures furnished by the D.P.I (or the Secretary of the Managing committee) what will be the amount of Govt grant admissible under the revised grant-in-aid rules. Does it not half the net authorised expenditure not exceeding Rs 100 per class, whatever may be the no of sections That is to say, half the net expenditure but not exceeding Rs 3 lacs p.a - If this be so, the Municipal High School at Nandyal, ought to get much more than Rs 1500 as grant-in-State funds - How ever the expenditure from Municipal funds for up to Rs 5 lacs during 1942-43 - can remain at Rs 2000

Letter no B 1 5766-625 dtd 2-43 from the DPI furnishing a statement showing details of the budget estimates of the school for the year 43-44 together with a copy of letter from the Secretary managing Committee explaining how the net cost will be fully covered by Rs 5000 during the year etc

66 From the Statement Flag 'H' it is seen that the net High school Mandya will be entitled during 42-43, to a grant of Rs 2301 being half the net admissible expenditure viz (Rs 12129-7527) Rs 4602/2. The DPI has now forwarded a set of budget estimates for 43-44, and from that it will be seen that the net admissible expenditure during 43-44 is estimated at Rs 14116 and deducting a sum of Rs 9116 from that sum, the net cost of the management is estimated at Rs 5000. The sum of Rs 9116 includes a sum of Rs 6448 as age fee income plus Rs 1500 fee fund and a sum of Rs 1168 as per details with the letter dtd 8-43 Vide Flag 'O' the PWD. The fee fund admissible under the revised fee-aid Rules is half the net admissible expenditure not exceeding Rupees 100 per class whatever may be the number of sections.

Submitted for orders with reference to para 58

(Government by the Hon'ble Minister for Public Works) 21/23/9/43 sd/-

It is seen from the Statement of expenditure that certain sections, for

Office of the Deputy Commissioner,
Mandya District,
Dated, Mandya, the 16th August 1942

Rev 101-42-10

From

C H Ranajodna Singh, Esq, B A,
Deputy Commissioner,
Mandya District,
MANDYA.

To

C Narayanaswami Naidu, Esq, B A, B L
Secretary to Government,
Law Department, BANGALORE.

Sir,

Subject -Conversion of Mandya Municipal High School into a Government High School

In enclosing herein a copy of the resolution dated 18-7-1942 of the Mandya Town Municipal Council received with the President's letter No O C 64/42-43 dated 27-7-1942 on the above subject(copy enclosed), I have the honour to state as follows -

1 The expenditure on the Mandya Municipal High School is increasing year after year and the Municipal Council is finding it very difficult to provide funds required for the maintenance of the High School Every year, they have to provide extra Funds out of their normal income as a result of which they are not in a position to make adequate provisions for meeting the expenditure on improvement works which are very necessary in this growing town and are also of urgent nature It may not be out of place

P T O

of place for me to say that the Government grant has been reduced by 50% without assigning any reason for the reduction while the expenditure is increasing year after year

2. Malavally High School with 3 sections gets a grant of Rs 108-8-0 p m , while Mandya with 6 sections gets only Rs 58-14-0 p m Malavally school gets a grant of Rs 1,000/- from the District Board also It is clear that the burden on the Mandya Municipal Council is very heavy I note in the margin, the income and expenditure for the past 3 years It can be seen from the figures that while the Government grant sanctioned should have been 50% of the net expenditure or at least -- Rs 1,800/- at 50/- p m , per form, the grant actually sanctioned for 40-41 and 41-42 was only Rs 1,125/- and 707 respectively On what basis the grant was fixed at Rs 707/- during 41-42 is not known It can also be seen from the above figures that the Municipal Council has to set apart more than Rs 3000/- out of their normal income every year towards recurring expenditure of the High School apart from the grants made from time to time for building and equipment etc This has worked as a drain on Municipal funds with the result that the Municipal Council has not been able to fund adequate funds for improvement works

Income		Expenditure	
39-40	Rs 8,309/-	11,127/-	
40-41	" 9,264/-	13,262/-	
41-42	" 9,000/-	13,659/-	
	26,573/-	3 38,048/-	3
	8,857/-	= 12,682/-	

Net expenditure per year
12,682 - 8,857 = 3,825/-

The Municipal Council has in view of the above situation and in view of the imminent probability of being called upon to pay more for the High School in the near future, resolved that in case the management is not taken over by Government, they would have to restrict the admission to Students of Mandya Town only This attitude of the Council is no doubt reasonable, but it would work as a great hardship to more than 120 students who attend the school from other places

4 As reported by the President, there is no Government High School at all in this District and Mandya is the only District Headquarter town in the State without a Government High School As many students(nearly half the total strength) attend the High School from places outside the Mandya Municipal Limits, it may not be fair to expect the Municipality to meet the cost incurred on outsiders also If the Municipal Council gives effect to the resolution, it may be necessary to open another High School in the District to provide facilities for students coming from outside the municipal area I am of opinion that it is more desirable to take over the Mandya High School under Government management and develop it rather than encourage the establishment of another High school

5 After the formation of Mandya District, many new Offices have been sanctioned to this place and most of the Departments have got district Offices here I recommend that the Establishment of the Government High School at Mandya may be taken as part of the formation of this new District and considered as a special case not covered by the General Policy

P T O

general policy of Government in accordance with [illegible]

in Schools

6 In view of the fore-going reasons, I request you to kindly obtain sanction of Government to convert the Kandya Municipal High School to a Government High School from 1-1-1942

I have the honour to be,
Sir,
Your most obedient servant
[signature]
Deputy Commissioner,
Kandya District

GSS

[illegible]
16 8 942

Letter No O C 64/42-43 Dated 27th July 1942 from the President, Town Municipal Council, Mandya, to the Deputy Commissioner, Mandya Dist

---

In enclosing herewith a copy of the resolution passed by the Mandya Town Municipal Council, while reviewing the Administration Report of the Municipal High School for 41-42 at their General Meeting on 18-7-1942, I have the honour to state that it is seen from the records that the expenditure incurred by the Municipality on the High School has increased from about 700 in 1937-38 to more than 3,500/- in 1941-42. This does not include the various grants made towards building etc. The Government Grant was Rs 600/- in the first year and rose to Rs 1,125/- in 1939-40, but it has mysteriously been fixed at Rs 706-8-0 per year from 1940-41 It is seen that while the Municipal Share of the expenditure has increased five fold, the Government grant has decreased Other development activities could not be taken up in this Municipality on account of the heavy expenditure over the Municipal High School The indications are that this expenditure will increase and not decrease in the near future The need for having additional sections is already being felt and though the non-official members of the managing Committee opposed it this year, it cannot be put off indefinitely In future the High School will make greater demands on the finances of the Municipality and as the income has reached almost the maximum level, other development activities will have to be sacrificed for the sake of the High School This sacrifice and the burden borne by the rate-payers of Mandya Town cannot be justified because only about half the total number of students are from the Municipal area In view of the above facts, the Municipal Council

P T O

have resolved to request Government to take over the [illegible] School failing which the admission will have to be restricted only to students coming from the Municipal area, so as to limit the expenditure on the High School and made adequate provision for other development works This extreme step will be taken with regret because it will effect more than a hundred innocent students xx but it cannot be helped I request you to kindly recommend to Government to convert this High School to a Government High School

In this connection I may state, that there is no Government High School at all in this District and also that Mandya is the only District Head Quarter Town without a Government High School In connection with the formation of this District, Government have sanctioned a number of new offices and it is but proper that the present Municipal High School should be converted into a Government High School

As nearly half the students are coming from outside Municipal area and it is inequitable to burden the rate payers of the Municipality with the cost of the education of those outsiders I request that a strong recommendation may be made to Government to take over the school and thus save the Municipality from taking the extreme and regrettable step of refusing admission to outsiders

---

No. A5. 330/42-43.

Office of the Deputy Commissioner,
Mandya District,
Mandya, Dated, 31st October, 1942.

From

Mir Safdar Hussain, Esq., B.A.,
Deputy Commissioner,
Mandya District,
MANDYA.

To

C. Narayana Swamy Naidu, Esq , B A., B.L.,
Secretary to Government, Law Department,
BANGALORE.

Sir,

Subject - Conversion of Mandya Municipal High School into a Government High School.

I have the honour to invite your kind reference to my letter dated 17-8-42 on the above subject and to request that very early orders of Government may kindly be obtained in the matter.

In this connection, it may not be out of place to mention that the Mandya High School is the only High school in which the attendance of students was quite satisfactory. The political agitation in the State neither affected the Public of the Mandya Town nor the students of the High school in spite of the propoganda done by outsiders. The loyalty of the citizens and the discipline of the students deserve sympathetic recognition. The conversion of the Municipal High School into a Government Institution would go a long way in relieving the burden of the tax payers of Mandya as the amount now spent for the maintenance of the school could more usefully be spent on effecting sanitary and other improvements of urgent nature.

I solicit the favour of early orders re granting a Government High school for Mandya.

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
MANDYA DISTRICT.

The question was ordered to be considered in Council. The file was sent to the Chief Secretary 8/10/42

ALN.

Sorted for perusal before returning this to the Records Br

SUBJECT — *Information required about the Municipal High School, Mandya.*

With reference to your letter No E 5283- dated 26th May 1943 calling for information on certain points in respect of the above High --- School, I have the honour to enclose herewith a copy of the statement furnished by the Secretary of the Managing Committee of the School A statement showing details of authorised expenditure of the school, sanctioned from time to time, as it stood on 1st May 1943, is also enclosed herewith, as the statement sent by the Secretary does not include these details

I have the honour to be,
Sir,
Your most obedient servant,

N J P/7-6

M S Mohiyuddin
DIRECTOR

Information re. to the Municipal High School, Mandya, as required by the Director of Public Instruction in Mysore, in his No D1 5766-625/42-43 dated 27th May 1943

34

1. Strength of the School as it stood on 10-4-1943 -

	Boys	Girls.	Total
III Year A Section.	40	5	45
III Year B do	46	-	46
II Year A. do	35	6	41
II Year B do	25	1	26
I Year A do	40	9	49
I Year B do	49	6	55
Total.	235	27	262

2. Number of students coming from schools in the Mandya Municipality and from outside

Class and Section	From Mandya	From outside
III Year A Section	15	30
III Year B Section	16	30
II Year A Section	28	13
II Year B Section.	6	20
I Year A Section.	34	15
I Year B. Section	22	33
Total.	121	141

3,4 & 5) Actual authorised expenditure and total fee income of the school, Govt grant received and the total Municipal share of expenditure and the proportion of the expenditure by the Municipality and the Government (figures for the past three years are furnished).

Year	No of Sections.	Total authorised expenditure	Total fee income	Government -- grant.	Total cost to Municipality
40-41	6	Rs 9,934/-	Rs 6,608/-	Rs 1,125/-	Rs. 2,201/-
41-42	6	11,417/-	7,074/-	1,500/-	2,843/-
42-43.	6	12,129/-	7,527/-	1,500/-	3,102/-

1 The present grant sanctioned is Rs. 125/- per mensem
2 While calculating the figures for 42-43 probable receipts and expenditure for June 43 are also -- taken into account

As could be seen from the above statement the Total cost for the Management is almost double the amount of Government grant received, for the past three years, i e, after the school became a full 6 section school. But during 43-44 the MI share will be about Rs.5,000/- according to the budget estimates.

Sir,

23 JULY 1943 GENERAL SECTION

Subject Information regarding Municipal High School, Mandya

With reference to your letter No E 5750 dated 25-6-1943, calling for certain information regarding the Municipal High School, Mandya, I have the honour to submit herewith a statement received from the Secretary of the Managing Committee of the School, furnishing the details for the rise in expenditure to Rs 5,000/- during the year 1943-44

I have the honour to be,
S i r,
Your most obedient servant,
MS Rajaprasad 21/7
First Assistant for Director
on Tour

Sr 21-7

39

Letter No. 16 dated 6th July 1943 from the Secretary Municipal High School, Mandya, to the Director

---

With reference to your No Dl 5766-625/42-43 dated 30-6/2nd July 1943, regarding the increase of about Rs 2,000, in the Municipal share of expenditure during 1943-44 etc , I have the honour to state as follows -

1942-43

I

a During 42-43, under fee income there was an excess fee income of Rs 500/- (hence the expenditure was Rs 500/- less than what it would have been)

b Owing to the resignation of a teacher on Rs 60-4-80 and of the II clerk on Rs 20/- and on account of the consequential changes made there was a savings of Rs 240/- in the budget during 42-43

c As the question of the recognition of the Munshi Fazil examination was still under consideration by the Government, the Moulvi was paid at Rs 25/- p m , hence there was a savings of Rs 60/- in the budget of 42-43

Total Savings during 42-43 = Rs 800/-

1943-44

II

a A sum of Rs.600/- is to be added year after year on the expenditure side of the budget (under Establishment charges) to provide for the annual increments earned by the members of the staff Similar provision has been made in the budget for 43-44

b A sum of Rs 525/- is provided for annual repairs during 43-44 (This item of expenditure was not incurred during 42-43 as some of the minor repairs were done along with the construction of the Western wing of the school)

c Owing to the increase in the rate of dearness allowance an excess amount of Rs 300/- has been provided for in the budget for 43-44

d As per G O No Fl 3719-20/S A 258-42-2 dated 4-1-43, all the employees getting less than Rs 50/- p m are entitled for special locality allowance and a sum of Rs 400/- has been provided for in the budget for this purpose

Total increase in the budget of 1943-44 = Rs 1,825/-

Increase in the Municipal share of Expenditure will therefore be (800/- + 1,825/-) = 2,625/-

not and X, as per details noted overleaf the expenditure from Municipal funds will be (during 43-44) about Rs 2,625 more than that of 1942-43, if all the items of expenditure provided in the budget are fully utilised and if the Govt grant is not enhanced However making an allowance of about Rs 700/- for savings during 1943-44, a round sum of Rs 5,000/- is the anticipated Municipal share of expenditure during 43-44 as reported

General Secretary to the Government of His Highness the Maharaja of Mysore.

SIR,

SUBJECT.- Details for the expenditure from the funds of the Mandya Municipality during 1943-44 on the Municipal High School, Mandya.

1

282

With reference to your letter No.E 488 dated 31st July 1943, calling for details for the expenditure of about Rs.5,000/- from the Municipal funds towards the Municipal High School, Mandya, during the year 1943-44, I have the honour to enclose herewith a statement showing details of the budget estimates of the school for the year 1943-44 together with a copy of letter No.82 dated 26th August 1943 from the Secretary of the Managing Committee of the School explaining how the net cost to the Municipality would work out to Rs.5,000/- during the year A copy of letter No.378 dated 30th May 1943 from the School Secretary addressed to this office is also enclosed herewith, as desired

I have the honour to be,
Sir,
Your most obedient servant,

M Sultan Mohiyuddin

DIRECTOR

M J.P/12-9.

Copy of letter No.82 dated 26th August 1943 from the Secretary, Managing Committee, Municipal High School, Mandya, to the Director of Public Instruction in Mysore, Bangalore. 413

With reference to your No Dl. 5766-526 of 42-43 dated 7th August 1943 requesting for the details re the Municipal Share of expenditure of Rs 5,000/- during 1943-44, etc , I have the honour to enclose herewith a copy of the budget estimates of the Municipal High School, Mandya, for 1943-44, for kind reference. As could be seen from the budget figures the Municipal Share of expenditure during 1943-44, will go up to Rs. 6,168/- and out of this a sum of Rs 1,168/- has been deducted for the following reasons -

Half the cost of Dearness Allowance and Special Locality Allowance expected as grant from the Department $\frac{1020 + 400}{2}$	Rs 710/-
Anticipated savings under establishment, leave and pensionary contributions etc , during 1943-44	Rs. 458/-
Total.	Rs 1,168/-

Therefore the net cost to the Management during 1943-44 is estimated to be (6168 - 1168) Rs 5,000/- as reported in my No.378 of 30th May 1943.
